Travel Awards:

Presenting Authors who are trainees may apply for one of several travel awards to be granted by organizers of the American Association of Neuropathologists.

- 96th Annual Meeting Travel:
  - 4 – ISN Travel Awards
  - 4 – $500 Trainee Travel Awards
  - 3 – $1,000 AANP Trainee Travel Awards
  - 3 – $1,000 Richard Davis Trainee Travel Awards
  - 10 – $500 Women & Diversity Trainee Travel Awards

Eligible trainees include individuals who are part of a degree granting program (undergraduate or graduate), postdoctoral fellows, and individuals who are part of a clinical training program including medical students, residents and fellows. Individuals who do not fulfill these criteria need to include a description of their trainee status as part of the required mentor’s letter of support. These cases will be assessed on a case by case basis to determine whether they should be considered eligible for a Trainee Travel Award.

If you’d like to be considered for one of these awards, go to the Abstract Information Tab to apply (in the Abstract Submission site). A letter of support that verifies the training status from the mentor/supervisor must be uploaded in order to complete your submission. The letter should be addressed to The AANP Program Committee. The letter should confirm that the applicant is a trainee and the reason why the letter writer thinks the applicant is suitable for the award.
