

The Department of Pathology and Laboratory Medicine at the University of Cincinnati (UC) is searching for **an academic Neuropathologist/Surgical Pathologist** to participate in neuropathology and surgical pathology subspecialty services that align with the candidate's interests. Autopsy, cytopathology, and molecular pathology service options are also available. Fellowship training or experience in neuropathology is required. In addition to clinical service and resident/fellow teaching, the position offers excellent opportunities for participation in collaborative research. The successful candidate will join a highly collegial faculty group. Salary and academic rank are commensurate with experience. Cincinnati is a vibrant city that is nationally ranked among the best places to live in the US based upon desirability, value, job market, and quality of life.

Minimum Qualifications: Applicants must have an M.D., M.D./Ph.D., or D.O. degree, board-certification or -eligibility in anatomic pathology, and be licensed or eligible for licensure in Ohio.

To apply, please send your CV, cover letter, and contact information for three references to Dani S. Zander, MD, MacKenzie Chair of the Department of Pathology and Laboratory Medicine, at dani.zander@uc.edu.

The University of Cincinnati is an affirmative action/equal opportunity employer/M/F/Vet/Disabled. Women, People of Color, persons with a disability, and covered veterans are encouraged to apply. We are committed to increasing the diversity of the University community. Candidates who can contribute to that goal are encouraged to apply and to identify their strengths or experiences in this area. University of Cincinnati is a smoke-free environment.
