

Join Our Team as an Assistant Professor in Pathology (Autopsy/Neuropathology) and Director of Autopsy Services at the Medical College of Wisconsin

The Department of Pathology at the Medical College of Wisconsin (MCW) is seeking a highly motivated and dynamic individual to join our team as an Assistant Professor specializing in Autopsy and Neuropathology. This is a unique opportunity to contribute to our academic mission while providing exceptional patient care and advancing the field of pathology.

Opportunity Highlights:

- To direct autopsy service.
- Conduct autopsies and neuropathological examinations.
- Perform gross and microscopic examination of autopsy and surgical specimens.
- Interpret findings and provide accurate diagnoses.
- Participate in teaching medical students, residents, and fellows in pathology.
- Engage in scholarly activities.
- Collaborate with interdisciplinary teams to optimize patient care and outcomes.

Position Requirements:

- Medical degree (MD or equivalent) and board certification in Anatomic Pathology.
- Fellowship training in Autopsy or Neuropathology preferred.
- Eligibility for medical licensure in Wisconsin.
- Demonstrated commitment to excellence in patient care, education, and scholarly activities.
- Strong interpersonal and communication skills.

About MCW

At MCW, you'll be part of a vibrant academic community dedicated to advancing knowledge, fostering innovation, and improving health outcomes. Our institution offers a collaborative and supportive environment where faculty, staff, and students thrive. You'll have access to state-of-the-art facilities, cutting-edge technology, and a wide range of resources to support your professional growth and development. The Medical College of Wisconsin is a distinguished academic medical center known for its excellence in education, research, and patient care. With a rich history spanning over a century, MCW is committed to serving the needs of our community and advancing the frontiers of medicine.

Our Commitment to DEI

The Medical College of Wisconsin (MCW) is committed to creating an inclusive and welcoming workplace that includes individuals with diverse backgrounds and experiences. We believe that embracing human differences is critical to realize our vision of a healthier world, and we recognize that a healthy and thriving community starts from within. We strive to integrate our human and social differences into MCW's functioning, strategies and culture to create a diverse and equitable workplace. If you believe embracing individuality and working together makes us stronger, then MCW is the place for you. People of color, women, LGBTQIA+, veterans and persons with disabilities are encouraged to apply.

How to Apply:

Interested candidates should submit a curriculum vitae, and cover letter to Jennifer Scherer, Physician Recruiter, jescherer@mcw.edu

Review of applications will begin immediately and continue until the position is filled.
