NEUROPATHOLOGIST OPPORTUNITY

Build a Career and Enjoy Life in Beautiful Washington

Incyte Diagnostics is currently seeking a highly skilled and motivated board-certified or board-eligible neuropathologist to join our dynamic team in Washington. If you're passionate about making a real impact and would like to be a valued member of a thriving group practice, Incyte Diagnostics is the place for you.

At Incyte, you'll be part of a dedicated team delivering outstanding clinical and anatomic pathology services to our community. We're looking for flexible, well-rounded individuals with comprehensive training in general pathology. A successful candidate will have experience with brain tumors as well as muscle and nerve biopsies. You must be a permanent US resident with excellent communication skills.

Additionally, a keen interest in clinical pathology, a willingness to serve on tumor boards and hospital committees, administrative leadership skills, and the ability to work independently are highly valued qualities.

ABOUT US

Founded in 1957, Incyte Diagnostics provides high quality diagnostic pathology services throughout the Pacific Northwest. Our team of expert pathologists believes in a collaborative approach to patient care centered on outstanding quality diagnostics and service. We have laboratories located in Spokane Valley, Richland and Tukwila.

We provide on-site medical directorships and have pathologists seated at many area hospitals, which allows for Incyte to provide services including frozen sections, rapid assessments, and tumor board presentation.
