- ❖ Use the navigation menu at the top of the website to explore the site.
- ❖ In any session, click the "Resources" tab for downloadable PDFs.
- ❖ Should you want to zoom in on any aspects of the website, use your browser zoom feature (Ctrl and + (**Windows**, Linux, and Chrome OS) and ⌘ and + (Mac); or "View", "Zoom In/Out")

Equipment Needed

Before the meeting begins, ensure that you have:

- ✓ Computer with a stable internet connection
- ✓ Speakers, either external or built-in, or headphones

Connecting to Live Sessions

Click on any of the schedule days on the top menu. Click on the session title, then click the blue Join Session button on the right. Note: this button will read "Register" until the session time is approaching. You do not need to click "Register" in advance in order to join.

What should I do if I have connection issues?

If you are unable to connect to live sessions, first try closing your browser, restarting it, and then logging back into the website. If you still experience issues, check out the FAQ, submit a ticket to BlueSky by clicking "Support" at the bottom of the website, call/e-mail BlueSky at (858) 900-2223 (+1 858-201-4136 outside of US)/support@blueskyelearn.com, or e-mail AANPHelpDesk@gmail.com.

Technology Tips and Tricks

- ❖ If your Wi-Fi tends to cut out or slow down, consider wiring your computer directly to your modem with an ethernet cable.
- ❖ If an issue arises, try to refresh the browser or disconnect from a VPN if applicable.
- ❖ If you are using your computer's speakers, plug in headphones to reduce feedback and increase clarity.
- ❖ If you would like to save text that is posted in the Chat/Q&A tabs during the live stream, take a screen shot and save it to your computer.

Virtual Meeting Etiquette

Please follow these best practices to ensure that all attendees have a great experience:

- ✓ Please provide any feedback on the presentations in the meeting evaluation form rather than posting it in the Q&A tab.
- ✓ Use the Q&A tab solely for questions that moderators can direct to the presenter.
- ✓ If you would like to discuss a presentation with other attendees, use the Chat feature of the website or reference the Attendee List on the Home page to see colleagues listed by name and institution. For other meeting questions, e-mail AANPHelpDesk@gmail.com.
- ✓ Keep questions appropriate and courteous, and don't dominate the conversation.
- ✓ Don't solicit or market products or services to other attendees on the virtual platform.
