

## Trainee's Guide to the 102<sup>nd</sup> Annual Meeting

Note: All times EDT

### Wednesday, June 3

- **1:00 pm – 4:00 pm:** Ancillary Meetings: With your 102<sup>nd</sup> Annual Meeting registration you can choose to attend 1 ancillary meeting in person (space is limited, so make sure to sign up with your registration):
  - *Amyloid-beta in Alzheimer's Disease Pathogenesis and Treatment*
  - *Navigating the Diagnostic Complexities of Pediatric CNS Tumors*
  - *Forensic Neuropathology Symposium*

### Thursday, June 4

- **7:00 am – 8:00 am:** Continental Breakfast – Chesapeake Front Foyer
  - Each day, make sure to grab breakfast early as it can be sparse towards the end.
- **8:00 am – 5:15 pm:** Special Course in Chesapeake Ballroom
  - This year's topic is *Artificial Intelligence in Diagnostics for Neoplastic and Non-Neoplastic Diseases of the Nervous System*
- **12:30 pm – 1:30 pm:** Lunch on Own (see suggestions below)
- **5:30 pm – 7:30 pm:** Annual Reception on the Manor Lawn
  - A casual gathering for meeting attendees to socialize!
  - Make sure to register for this event beforehand to receive your free drink tickets.

### Friday, June 5

- **7:00 am – 8:00 am:** Continental Breakfast – Chesapeake Front Foyer
- **8:00 AM – 10:00 AM:** Platforms 1 (Glial Tumors 1) and 2 (Neurodegeneration: Alzheimer) – Chesapeake Ballroom and Choptank Ballroom
- **10:30 AM – 11:30 AM:** Parisi Lecture (microglia replacement/Krabbe Disease)
  - In honor of Dr. Parisi for his seminal work in neurodegenerative diseases and multiple sclerosis
- **11:30 AM – 12:00 PM:** Meritorious Award Presentations
- **12:00 PM – 1:00 PM:** Business Meeting (Box Lunch Provided)
  - If you're an AANP member, join us for the Annual Business Meeting.
  - This is a great opportunity to learn about AANP committees.
- **12:00 PM – 2:00 PM:** Lunch on Own (if not attending Business Meeting)
- **2:00 PM – 4:00 PM:** Platforms 3 (Glial Tumors 2) and 4 (Neurodegenerative: Alzheimer, Other) – Chesapeake Ballroom and Choptank Ballroom
- **4:00 PM – 5:00 PM:** Poster Viewing – Schooner A/B; Clipper A/B/C; Galleon A/B/C
  - Great place to see work by trainees and discuss research topics and interesting cases.
- **5:00 PM – 6:00 PM:** DeArmond Lecture (TDP-43 in neurodegenerative diseases)
  - In honor of Dr. DeArmond for his leading work on prion diseases and honoring advances in neurodegeneration and aging research.
- **Evening:** This is a great evening to explore the area!

## Saturday, June 6

- **7:00 am – 8:00 am:** Continental Breakfast – Chesapeake Front Foyer
- **8:00 AM – 10:00 AM:** Platforms 5 (Nonglial Tumors) and 6 (Neurodegenerative: FTLD/Lewy body/CTE) – Chesapeake Ballroom and Choptank Ballroom
- **10:30 AM – 11:30 AM:** Korey Lecture – Chesapeake Ballroom (diagnostic pathology)
  - In honor of Dr. Korey for being an active member of AANP who has “done it all” – excellent diagnostic, teaching, and research work.
- **11:45 AM – 2:00 PM:** Be sure to join us for the **Trainee Luncheon** from 11:45 AM – 2:00 PM in the Regatta Pavilion
  - Highly recommended for all trainees!
  - Great place to network with trainees, explore fellowships, search for jobs, and hear about AANP initiatives to further our education.
- **2:00 PM – 4:00 PM:** Platforms 7 (Epilepsy, Methodologies) and 8 (Demyelinating and Inflammatory, Developmental/Pediatric, Peripheral Nerve/Muscle, Ophthalmic Pathology) – Chesapeake Ballroom and Choptank Ballroom
- **4:00 PM – 5:00 PM:** Poster Viewing – Schooner A/B; Clipper A/B/C; Galleon A/B/C
  - Great place to see work by trainees and discuss research topics and interesting cases.
- **5:00 PM – 6:00 PM:** What Every Neuropathologists Needs to Know – Chesapeake Ballroom
  - High yield 30-minute talks
  - This year’s topics: neurodegenerative disease biomarkers and eye pathology
- **6:00 pm – 8:00 pm:** Dinner on Own
- **8:00 PM – 11:00 PM:** Diagnostic Slide Session – Chesapeake Ballroom
  - An interactive evening discussing challenging unknown cases.
  - Cases can be previewed here: <https://neuro2.pathology.pitt.edu/dss/current>

## Sunday, June 7

- **7:00 am – 8:00 am:** Continental Breakfast – Chesapeake Front Foyer
- **8:00 AM – 11:50 AM:** Presidential Symposium – Chesapeake Ballroom
  - This year’s topic is *Pioneering Minds: Celebrating the Breakthroughs of AANP Scholars in Neuropathology*
  - **8:55 AM – 9:45 AM:** Moore Lecture (education in pathology)
    - In honor of Matthew T. Moore – a session devoted to leading-edge, advanced research in neuropathological subjects of contemporary interest.
- **11:50 AM – 12:05 PM:** Installation of New Officers, Awards Ceremony, Adjournment – Chesapeake Ballroom

## Other Activities

- Exhibit Hall: Chesapeake Pre-Function Area
- Committee Meetings: For Junior Members serving on AANP committees, select committees meet on-site during the annual meeting. You should have received an invitation.
  - If you are not currently on a committee, be sure to look out for the call for committee applications that should come out in late July/early August. You need to be a Junior AANP Member to apply.

## Dining Options

- Hyatt Regency Chesapeake Bay: Bay Country Market
- Hyatt Regency Chesapeake Bay: Michener’s Library
- Hyatt Regency Chesapeake Bay: Water’s Edge Grill

- Hyatt Regency Chesapeake Bay: Eagle's Nest Bar & Grille
- Visit this webpage for a list of restaurants in Cambridge, MD: <https://visitdorchester.org/eat-and-drink?town=cambridge>

### Area Attractions

- Blackwater Refuge: Enjoy 30,000 acres of woodland, rich tidal marsh, freshwater ponds, and managed cropland.
- Harriet Tubman Tour: Experience her story at more than 30 sites along the scenic road trip known as the Harriet Tubman Underground Railroad Byway, which begins in Dorchester County on Maryland's Eastern Shore
- Blackwater Adventures: Offers kayaking, paddling, jet skis, biking and guided tours. They operate from two locations - one which includes the resort's private beach.
