Mark Your Calendars

- **Annual Membership Survey Launch**
 - Keep an eye on your email as the survey will be launching in early October and closing in early November
- **Membership Renewal**
 - Renewal launches on November 1, 2024, renew your membership by December 31, 2024, to ensure uninterrupted member benefits.
- **Call for Bids: 2031 XXII International Congress of Neuropathology (ICN)**
 - As you know, the 2027 XXI ICN Congress will be in Edinburgh, Scotland, UK, and the ICN now is looking ahead to 2031 to find a new home for the XXII Congress. Bids are now open with a deadline of **March 1st, 2025**. This information is also posted on the [ISN website](#) and under the Society News section of the journal Brain Pathology.
- **101st Annual Meeting:**
 - December 1, 2025: Abstract Submission Opens
 - June 19-22, 2025: Hyatt Regency Minneapolis, Minneapolis, MN
 - Pre-conference Ancillary Meetings: Wednesday, June 18th, 2025
- **102nd Annual Meeting:**
 - June 4-7, 2026: Hyatt Regency Chesapeake Bay, Cambridge, MD
- **103rd Annual Meeting:**
 - June 9-13, 2027: Hyatt Regency Lake Washington, Renton WA
- **104th Annual Meeting:**
 - June 7-11, 2028: Hyatt Regency Lost Pines Resort and Spa, Lost Pines, TX
- **105th Annual Meeting:**
 - June 6-10, 2029: Hyatt Regency Coconut Point, Bonita Springs, FL

AANP Centennial Meeting Review

The AANP held its Centennial Meeting this summer, in Olympic Valley, CA, which offered a stunning backdrop with mountain scenery and endless natural beauty. Held June 5th – June 9th, the meeting format allowed for both live and virtual attendees and was able to welcome a record 603 participants. There were 448 participants on-site and 155 virtual attendees. The Centennial Meeting provided an opportunity for in-person and virtual networking, with colleagues, trainees and other leaders in the field.

The AANP hosted three ancillary meetings on Wednesday, June 5th. All three of the meetings were beneficial to participants and very well attended. This year, each ancillary meeting was recorded so individuals who were unable to attend the live session were able to review the recordings after the meeting. Additionally, Eddie Lee, MD, PhD, hosted the AANP Scholars Workshop, *Navigating Academic Neuropathology: Positions and Grants*, which is funded by a grant through the National Institute on Aging via an R13 Support for Scientific Conferences grant.

The Centennial Meeting officially kicked off on Thursday, June 6th, with the Special Course organized by Eddie Lee, MD, PhD, titled *Reflecting Backward While Marching Forward*, welcoming an exceptional faculty.

Presented throughout the meeting were the Named Lecture speakers. Friday held the *Parisi Lecture* titled, *Viral Infections, Cognitive Impairments, and Neurodegeneration: Lessons from HIV*, with speaker Susan Morgello, MD; and the *DeArmond Lecture on Genetic Analysis of Parkinsonism*, by Mel Feany, MD, PhD. The *Korey Lecture*, titled, *Why the Microscope Still Matters*, presented by Craig Horbinski, MD, PhD, was on Saturday. Lastly, Sunday held the *Moore Lecture*, on *Advanced Intraoperative Histologic Imaging Techniques*, with speaker Sandra Camelo-Piragua, MD.

Friday hosted the scientific platform sessions 1-4, and held the *Meritorious Award* presentations to Dr. David Louis, Dr. Virginia Lee, and Dr. Cheryl Palmer. The scientific sessions continued on Saturday, with platforms 5-8, and also included the *What Every Neuropathologist Needs to Know Lectures: Update on NeuroID Workups, Consultation Resources*, by Isaac Solomon, MD, PhD and *AI in Diagnostic and Research Neuropathology*, by John Crary, MD-PhD.

Friday night also included the Centennial Meeting Gala, hosted by President Rebecca Folkerth, MD. It was a grand celebration of a century of groundbreaking advancements in the field. The event brought together esteemed professionals, researchers, and clinicians to honor the progress made in the field of neuropathology. Held in an elegant setting, the gala featured keynote addresses from Dr. Jack Lee (*JNEN* Editor-in-Chief) and Dr. Daniel Perl and included a “memories” open mic moderated by Dr. Melissa Blessing and Dr. Craig Horbinski. The evening also provided opportunities for networking, fostering collaboration among the brightest minds in the field, while reflecting on the legacy and future of neuropathology. It was capped off by a great night of dancing and music.

Sunday ended the meeting with *Presidential Symposium*, directed by Rebecca Folkerth, MD. The symposium included Dr. Folkerth’s session, *Cross-pollination between Forensic and Academic Neuropathology Practices for Research, Brain-Banking, and Enhanced Education*. Additionally, Dan Milner, MD, MSc(Epi), MBA spoke about *Fostering Training and Practice Guidelines for Underserved Areas and Developing Countries*, Cheryl Palmer, MD discussed, *Neuropathology Outreach in Ghana and Ethiopia*, and Nicole Jackson, MD, MPH, presented *Tapping the Wellspring of Diversity for the Next Century*.

Memories, timelines, posters, and scrolling pictures throughout the meeting provided an excellent history of the AANP and now we look forward to the next 100 years!

The following awards were provided by the AANP and funded by the R13 grant:

- 3 – \$1,000 AANP Trainee Travel Awards
- 3 – \$1,000 Richard Davis Trainee Travel Awards
- 15 – \$500 Diversity, Equity, and Inclusion Trainee Travel Awards
- 15 – \$500 R13 Grant Trainee Travel Awards

Thanks to all the individuals that played an integral role in creating such a successful Centennial Meeting!

Awards

The following awards were presented at the Centennial meeting.

Moore Award

Best paper on Clinico-Pathological Correlation

An analysis of cervical dorsal root ganglia hemorrhage in infant decedents

Jared Ahrendsen, C Sorensen, N Wadhvani, E Stroberg, E Duval

Moore Award – Honorable Mention

Best paper on Clinico-Pathological Correlation

Histologic and Ultrastructural Evidence of Astrocyte Injury Following Blast Exposure

David Priemer, N Breehl, M Cranston, D Dickstein, S Juliano, D Perl

Rubinstein Award

Best paper on Neuro-oncology

PDE10A haploinsufficiency activates PI3K/AKT signaling independent of PTEN to induce an aggressive glioma phenotype

P.J. Cimino, N Nuechterlein, A Shelbourn, F Szulzewsky, S Arora, M Casad, S Pattwell, L Merino-Galan, E Sulman, N Alvinez, M Jung, D Brown, K Tang, S Jackson, S Stoica, P Chittiboia, Y Banasavadi-Siddegowda, H Wirsching, N Stella, L Shapiro, P Paddison, A Patel, M Gilbert, Z Abdullaev, K Aldape, E Holland

Rubinstein Award – Honorable Mention

Best paper on Neuro-oncology

Clinical and Molecular Landscape of TERT Promoter Mutant Meningiomas

Karena Groff, R Patel, A Suwala, C Kresbach, M Youngblood, W Chen, C Cai, A Patel, T Bale, S Magill, T Richardson, S Santagata, U Schüller, D Raleigh, F Sahm, W Bi, D Pacione, M Snuderl

Weil Award

Best paper on Experimental Neuropathology

Biomechanical Contributions of Tensegrity in the Formation of Polymicrogyria

Jacob A. Houpt, C Dunham, R Hammond

Weil Award – Honorable Mention

Best paper on Experimental Neuropathology

2D and 3D multiplexed subcellular profiling of nuclear atypia and rupture in human glioblastoma

Shannon Coy, B Cheng, J Lee, R Rashid, L Browning, Y Xu, S Chakrabarty, C Yapp, S Chan, J Tefft, E Scott, A Spektor, K Ligon, G Baker, D Pellman, P Sorger, S Santagata

Hirano Award

Best Clinico-Pathologic Paper in Neurodegeneration

Pathologically Based Criteria to Distinguish Essential Tremor from Controls: Analyses of the Human Cerebellum

Phyllis Faust, M McCreary, J Musacchio, S Kuo, J Vonsattel, E Louis

Hirano Award – Honorable Mention

Best Clinico-Pathologic Paper in Neurodegeneration

Environmental-Pathology Interactions in Neurodegenerative Disease Dementia

Boram Kim, K Blam, I Yannatos, D Wiebe, S Xie, C McMillan, D Mechanic-Hamilton, D Wolk, E Lee

Terry Award

Best Translational Paper in Neurodegeneration

Shared Transcriptional Changes in Neurons with Tau Pathology in PART and AD

Meaghan Morris, G Stein-O'Brien, R Palagana, E Meyer, J Redding-Ochoa, O Pletnikova, H Guo, W Bell, J Troncoso, R Haganir

Terry Award – Honorable Mention

Best Translational Paper in Neurodegeneration

Multi-OMIC analysis of Huntington disease reveals a neuroprotective astrocyte state

Osama Al-Dalahmah

DSS: O.T. Bailey Helena Riggs Award

**Nicolas Kostelecky, MD, Northwestern Memorial Hospital:
Feinberg School of Medicine**

Case 6

DSS: O.T. Bailey Helena Riggs Award – Honorable Mention

Sophia Zhang, DO, UNC Chapel Hill

Case 5

DSS: Best Neurodegenerative Case

Gabriel Sexton, MD, University of Pittsburgh Medical Center

Case 5

Meritorious Contributions to Neuropathology

The awards *Meritorious Contributions to Neuropathology* recognize members who have made significant contributions to the advancement of knowledge in neuropathology and provided service to the American Association of Neuropathologists. Each recipient of the award is nominated by the President, in conjunction with the Nominating Committee, and with the approval of the Executive Council. This year's awards were presented to **Virginia M.Y. Lee, PhD**, **David N. Louis, MD**, and **Cheryl Palmer, MD**. Congratulations!

Virginia M.Y. Lee, PhD

David N. Louis, MD

Cheryl Palmer, MD

Diagnostic Slide Session

Moderator: Caterina Giannini, MD, PhD

The 65th Annual *Diagnostic Slide Session* was held on the evening of Saturday, June 8, 2024, at the 100th Annual Meeting. Eleven cases were presented, chosen from 56 submissions covering a wide spectrum array of pathology including tumoral, infectious, congenital/developmental, vascular, neurodegenerative, muscle, pituitary and nerve and ophthalmic pathology.

The 66th Annual *Diagnostic Slide Session* is scheduled to occur during the 101st Annual Meeting in Minneapolis, MN. The deadline for case submissions for the

2025 Annual Meeting will be sent out in later correspondence. The details on how to submit a case are found below.

How to Submit a Case:

Please submit the following to Dr. Caterina Giannini:

- Brief clinical summary and key diagnostic points outlined in short PowerPoint or Word document.
- Single representative H&E stained, and one unstained slide, sent via mail
- PLEASE write: Diagnostic Slide Seminar submission: 2025 Submission

All cases will be posted using virtual microscopy.

Caterina Giannini, MD, PhD
Attention: Pathology
Mayo Medical Laboratories
3050 Superior Dr. NW
Rochester, MN 55901-1195
Phone: 507-284-3887
Giannini.Caterina@mayo.edu

Annual Business Meeting

The following committee updates provide a high-level overview of what was presented at the June 7, 2024, Annual Business Meeting.

Awards Committee

The Awards Committee met during the Annual Meeting to determine the award winners, which are listed above on pages 3-6:

- Moore Award (Best paper on Clinico-Pathological Correlation)
- Rubinstein Award (Best paper on Neuro-oncology)
- Weil Award (Best paper on Experimental Neuropathology)
- Hirano Award (neurodegenerative diseases)
- Terry Award (neurodegenerative diseases)

The committee implemented a large screen TV and laptop to navigate to virtual posters for better viewing in poster-presentation room this year. Moving forward they would like to explore the inclusion of a recording of a summary of the poster for the virtual posters.

Constitution & Bylaws Committee

There were no proposed changes or actions items to consider this year to the Bylaws Amendments or Constitution Amendments. The committee will continue to maintain the Constitution and the Bylaws as usable guides to govern the affairs of the Association.

Education Committee

The Education Committee continues to focus on the new Molecular Neuropathology Course, Educational Opportunities webpage, AANP Teaching Rounds, ancillary meetings, and annual meeting planning and accreditation. A call for applications for ancillary meetings, will take place in March of 2025 for the 2026, 102nd Annual Meeting.

Membership Committee

At the 2024 Annual Meeting, the Membership Committee Chair, John DeWitt, MD, PhD, provided updates regarding AANP membership. It was a successful year as there was a year over year increase in total members (2.2%), active members (0.6%), junior members (9.8%), and senior members (2.0%). The total number of AANP members is 831 in 2024, up from 813 in 2023. The breakdown includes: 471 Active members, 3 Associate members, 101 Junior members, and 255 Senior members. Junior membership

increased to 101 in 2024 from 92 in 2023. Additionally, Dr. DeWitt provided updates regarding new applicants and status changes:

- 19 New Active Members; 0 New Associate Members; 31 New Junior Members
- 16 Junior transitioned to Active
- 5 Active transitioned to Senior
- 2 Active to Junior
- 0 Deceased Member Reports
- A list of all new and transitioning members was presented to the membership

The Membership Committee continues to focus on transitioning Junior members to Active membership. Additionally, after the Annual Meeting, Dr. DeWitt rolled off as the committee chair. Nathan Clement, MD is the new chair for the committee.

NP Fellowship Program Directors Committee

During this year's Annual Meeting, the NP Fellowship Program Directors Committee hosted the trainee luncheon, "Combining Additional Fellowships with Neuropathology". Throughout the year, the committee will focus on reviewing the following:

- NP Fellowship Structure Survey Results
- Proposal for new AP Boards timing (after PGY2)
- New Program requirements established by ACGME
- Fellowship interview format (virtual vs. in-person)
- ABPath and Cooperating Societies meeting focus on Fellow Training Modules/competency-based assessment

Additionally, the committee would like to identify ways to introduce competency-based assessments as the ACGME will now require that fellow evaluation includes competency assessment. Areas of success for the NP Fellowship Program Directors Committee included a 93% Board pass rate for 2023, which was an increase from previous years, and the maintenance of the Neuropathology Fellowship and Jobs Board webpages. These pages on the website continue to serve as a hub for prospective and current trainees and are updated regularly.

Nominating Committee

The 2024 Nominating Committee approved the following 2024-2025 slating of AANP Executive Council Members:

- Executive Council Officer Nominations include:
 - President: Douglas Anthony, MD, PhD
 - President-Elect: Eddie Lee, MD, PhD
 - Vice President: Sandra Camelo-Piragua, MD
 - Vice President-Elect: Kenneth Aldape, MD
 - Vice President for Professional Affairs: Eyas Hattab, MD, MBA
 - Secretary-Treasurer: Sanda Alexandrescu, MD
 - Asst. Secretary-Treasurer: Karra Jones, MD, PhD
- Members at Large include:
 - Brent Harris, MD, PhD
 - Murat Gokden, MD
- Councilors to the ISN
 - Caterina Giannini, MD, PhD
 - Sonika Dahiya, MD
 - Murat Gokden, MD
 - Malak Abedalthagafi, MD, PhD
- AANP-USCAP CSM Officer
 - Melike Pekmezci, MD

- Peter Pytel, MD

Program Committee

Each year, the AANP Program Committee is responsible for review and selection of abstracts for presentation as well as selecting the travel awards including the AANP, Richard Davis, and ISN Travel Awards. This year the AANP, in conjunction with R13 grant funding, had the honor of selecting the standard awards for abstract submitters, as well as 15 R13 Trainee Travel Awards and 15 Diversity, Equity, and Inclusion Travel Awards. Overall, 328 abstracts were submitted in 2024. In 2023, there were 247 abstracts submitted, and in 2021 there were 211 abstracts submitted.

Category	Abstracts (n)	Abstracts (%)	Platform (n)	Platform (%)
Tumors	149	45%	24	38%
Neurodegenerative	72	22%	20	31%
Muscle, Nerve and Eye Pathology	15	5%	4	6%
Demyelinating/Inflammatory	9	3%	2	3%
Infectious	9	3%	2	3%
Developmental/Pediatric	28	9%	8	13%
CTE/Trauma	8	2%	2	3%
Vascular/Stroke	11	3%	1	1.5%
Other	27	8%	1	1.5%
Totals	328	100%	64	100%

The Program Committee is continually working to make the abstract submission process as seamless as possible, as well as the review process for the Program Committee. Cadmium will continue to be the platform utilized as the abstract submission site.

Website Committee

The Website Committee continues to manage the AANP website including making regular updates to the Jobs and NP Fellowship webpages, the Educational page inclusive of opportunities such as AANP Teaching Rounds and the 2024 Molecular Neuropathology Course, and the announcements page. Throughout the year they have managed the cloud-based membership software, MemberClicks, the Community Forum, and AANP social media accounts. Website Committee members continue to work to engage the neuropathology and general pathology communities via Facebook, Twitter, LinkedIn, Instagram, and the Community Forum. Additionally, they assist with the AANP's learning management system, BlueSky. The committee has focused on joint efforts with the education committee including the central list of educational conferences, available on the website.

Make sure to visit the website regularly, www.neuropath.org, as it is continually updated with pertinent AANP information!

Archivist Report

The Centennial Meeting Archives Group met in Dallas in March 2024 to scour archives for items and information that could be presented at the Centennial Meeting. From that material, the group did a phenomenal job of preparing posters and media presentations (including a display case with historical artifacts) that attendees thoroughly enjoyed throughout the meeting. Additionally, the group, in collaboration with *JNEN*, produced the *AANP Centennial Meeting Yearbook*. This will be made available to all registered attendees (onsite and virtual). Once available, those that did not register for the meeting will be able to purchase.

The committee would like to continue digitizing existing archives and create digital documents that are suitable for public dissemination in a searchable format. They are currently researching best options for data storage and access.

***JNEN* Report**

During the Annual Meeting, Dr. Lee shared the following statistics with members:

- Manuscripts Received (May 2022 to May 2023; 2023-2024): 271; 271
- Not within scope: 21%; 21%
- Reject on original submission: 10%; 11%
- Reject with possible resubmission: 15%; 16%
- Revise original submission: 48%; 50%
- Acceptance overall: 49%; 48%
- Total reviewers invited: 1212; 1453
- Completed/agreed reviews: 446 (37%); 477 (33%)
- Days to complete review: 13.1; 13.8
- Days from Submission to first decision: 20.3; 20.7 (down from 26.1 days in 2019)
- Submitted and published Articles by Geography-Country of Origin (2017-2022)
 - United States: 328 180 55% (Acceptance Rate)
 - Europe/Australia 262 162 48%
 - Canada: 66 37 56%
 - Japan: 117 64 55%
 - China: 490 59 12%
 - Other: Since January 2024, 48 of 118 (41%) submissions are from China (similar to 2023 47%)

Oxford University Press joined the meeting and provided their Annual Report:

- OUP has been the *JNEN* publisher for 8.5 years
 - Currently contracted through 2026
- Impact factor 2018: 3.46
- Impact factor 2019: 2.92
- Impact factor 2020: 3.69
- Impact factor 2021: 3.15
- Impact factor 2022: 3.2 (Reported as one significant figure)
- Impact factor 2023: Due out in June 2024
- Days from Receipt for Production to Online Publication: 13.4 (2023) 15.2 (2024)
- Open Access Articles (2023-2024): 16-36%

The *JNEN* continues to focus on recruiting relevant review articles as well as more AANP members to submit. They are focusing on co-marketing *JNEN* with other neuroscience journals and assigning original articles for Open Access. They are on track for 30 Open Access articles in 2024.

On the Horizon

101st Annual Meeting

Mark your calendars to join us at the Hyatt Regency Minneapolis in Minneapolis, MN, for the 101st Annual Meeting, scheduled for June 19-22nd, 2025 with pre-conference ancillary meetings occurring on Wednesday, June 18th, 2025. The AANP is excited to announce that the 101st Annual Meeting will be a hybrid format again, allowing the opportunity to travel on-site, or to join us virtually for the live-stream production. More information and specific details will be shared on the AANP's website, as well as via e-mail.

Meeting and Hotel Information:

Hyatt Regency Minneapolis
1300 Nicollet Mall
Minneapolis, MN 55403
612-370-1234

[Click here](#) to book your hotel room at the AANP rate.

If you have suggestions for exhibitors/sponsors that you would like to see at the Annual Meetings, please contact aanp@aoeconsulting.com.

2025 Membership Renewal

Please keep an eye on your e-mail, as the 2025 Membership renewal is upcoming and set to launch on November 1, 2024. You will receive an e-mail with additional information and a direct link, for a quick and easy renewal. During this process, you will also be able to update your contact information. If you have any questions, please reach out to the AANP Office at aanp@aoeconsulting.com.

Membership Survey

Please plan to complete the Annual Membership Survey which will launch in early October. The AANP requests that all AANP members participate, as the results are used to inform future educational offerings at the Annual Meeting. The survey also helps to facilitate documentation of areas of educational need which is a requirement of the accreditation board, the Accreditation Council for Continuing Medical Education (ACCME). The survey will remain open for one month once launched.

Resources for AANP Members

The Education and Website Committees collaborated to create a list of recurring and one-time educational opportunities from which AANP Members can access virtual education on topics relevant to their practice and educational needs. Click here to access: <https://aanp.memberclicks.net/educational-opportunities> (log-in required).

Moving forward if you would like to receive monthly educational opportunities notifications, please subscribe to the "Educational Opportunities" topic within the Neuropathology Community Forum:

<https://aanp.memberclicks.net/neuropathology-community-forum>. The forum is accessible from the "Education" menu on the AANP website once you log-in. Click the "Educational Opportunities" topic and then click "Subscribe."

AANP Education Updates and Reminders

AANP Teaching Rounds

The American Association of Neuropathologists is proud to offer Teaching Rounds, a monthly, regularly scheduled series occurring the fourth week each month, alternating between Monday and Wednesday. The series occurs from 12:00 pm – 1:00 pm Eastern Time. For more information visit www.neuropath.org/teaching-rounds

To register for this series, please go to <https://aanp.memberclicks.net/2024teachingrounds#!/> The cost is as follows:

- AANP Members: Free of charge; registration still required
- Non-Members: \$100.00/year
- Trainee (Non-Member): \$5.00/year

Remaining 2024 Sessions:

Wednesday, October 23, 2024	Melike Pekmezci, MD	<i>Molecular Tumor Syndromes</i>
Monday, November 25, 2024	Sandra Camelo-Piragua, MD	<i>Intraoperative Neuropathology</i>
Wednesday, December 11, 2024	Rebecca Folkerth, MD	<i>Autopsy Genotype/Phenotype Correlations in Epilepsy</i>

Recordings continue to be posted on the AANP YouTube:

<https://www.youtube.com/@americanassociationofneuro6448>

AANP Molecular Neuropathology Course

The American Association of Neuropathologists ***Molecular Neuropathology Course: Central Nervous System Tumors*** is a regularly scheduled series that occurs the 2nd week of the month alternating between Mondays and Tuesdays from 1:00 pm - 2:00 pm Eastern Time/12:00 pm – 1:00 pm Central Time/11:00 am – 12:00 pm Mountain Time/10:00 am – 11:00 am Pacific Time. Sessions are accessed via Path LMS. Leomar Ballester, MD, PhD, MD Anderson Cancer Center, and Cristiane Ida, MD, Mayo Clinic, are the Co-Course Directors.

To register for this activity, please go to <https://aanp.memberclicks.net/molecularneuropath>. The cost is as follows:

- AANP Members: \$50.00
- AMP Members: \$50.00
 - Discount Code required; code sent to all AMP members. Reach out to aanp@aoeconsulting.com with questions.
- Non-Members: \$100.00
- All Trainees (AANP Members and Non-Members): \$0.00

2024/2025 Schedule

Date	Presenter	Topic
Monday, October 14, 2024	Kevin Fisher, MD, PhD, Baylor College of Medicine	<i>Sequencing Testing Platforms</i>
Tuesday, November 12, 2024	Richard Yang, MD, PhD, MD Anderson Cancer Center	<i>Next-Generation Sequencing</i>
Monday, December 9, 2024	Stewart Neill, MD, MS, Emory University School of Medicine	<i>Copy Number Testing</i>
Tuesday, January 14, 2025	Beth Pitel, MS, Mayo Clinic	<i>Variant Classification/Databases</i>
Monday, February 10, 2025	Brent Orr, MD, PhD, St. Jude Children’s Research Hospital	<i>Hereditary Implications in Molecular Testing</i>
Tuesday, March 11, 2025	Lawrence Jennings, MD, PhD, Northwestern University	<i>Methylation Profiling</i>

Monday, April 14, 2025	Cristiane Ida, MD, Mayo Clinic	<i>MGMT Promoter Methylation Testing</i>
Tuesday, May 13, 2025	Leomar Ballester, MD, PhD, MD Anderson Cancer Center	Liquid Biopsy

Journal of Neuropathology and Experimental Neurology

As a member of the American Association of Neuropathologists (AANP), you can access the *Journal of Neuropathology and Experimental Neurology (JNEN)* directly from the members-only area of the AANP's website! Follow the steps outlined below.

Accessing the *JNEN* via the AANP Members-Only Area:

1. [Log-in](#) to your MemberClicks profile using the "Member Login" in the top right corner of the AANP Homepage.
2. Once logged in, you will see a link under the welcome banner that says, "Access *JNEN*".
3. Once you select "Access *JNEN*," you will be taken directly to the *JNEN* webpage with access to all content.

Please Note: If you do not access the *JNEN* via the AANP members-only area of the website, you will need to log-in via the Oxford University Press website using your credentials specific to that account.

JNEN Email Alerts

1. At the bottom of the "Access *JNEN*" page (see above), we encourage you to sign up for the Email alerts.
2. Register to receive table of contents Email alerts from Oxford University Press as soon as new issues of *Journal of Neuropathology & Experimental Neurology* are published online.
3. Sign up by using "Sign in" under "Personal Account".

Don't forget that as an AANP member, you benefit from waived page charges and a reduced open access rate to the *JNEN*. Please submit your manuscripts to *JNEN*—remember, it is our journal.

If you have any questions or feedback regarding the *JNEN*, please contact Dr. Jack Lee, Editor-in-Chief at jlee9@northshore.org.
